

Elwood Matt Howell

Full-Stack Developer

Web developer with strong problem solving and analytical skills. Business owner turned coding teacher with a successful history of tackling large projects. Adept at collaborating with my peers to solve complex problems.

EXPERIENCE

The Coding Space, New York, NY — Coding Instructor

November 2021 - PRESENT

- Coding Instructor for both in-person and online classes.
- Guiding students through projects based in multiple languages, including MIT's block-based programming language Scratch, HTML, CSS, JavaScript, Python, and Lua.
- Demonstrating remarkable student progress throughout all classes.

Hitchcock Restaurant Group, New York, NY

— Managing Partner

2016 - 2021

- Partnered at an existing French Bistro and transformed it into a cooking school and event space.
- Oversaw all elements of transformation from construction to class offerings.
- Doubled gross sales in the first two years of operation.

Blackfoot Hospitality, New York, NY

— General Manager

2011 - 2016

- Responsible for all aspects of the daily restaurant operations.
- Oversaw all company hirings, ran payroll, and ensured smooth service for lunch and dinner at busy West Village bistro.
- Met all sales expectations and cost ratios over a five year period.
